

Strategic Plan 2016-2017

Strategic Initiatives

This year, we aim to:

- Expand library services to other Law School units & offices
- Launch our institutional repository to enhance the visibility of Law School research, publications, & collections
- Continue the transformation to an electronic library environment in order to realize maximum benefit from allocated resources
- Develop in-house expertise on learning technologies

Key Priorities

To foster research & learning, we:

- Enhance the discoverability & accessibility of information
- Provide expert assistance in locating relevant information
- Provide support on the use of research & learning technology
- Enhance the visibility of Law School research, publications, & collections
- Offer attractive & comfortable space for study, collaboration, & learning

Our Mission

To foster research & learning

Our Vision

To provide the highest level of library & information services to the UW Law School & University communities
