

Strategic Plan 2017-2018

Our Mission

To foster
research & learning

Our Vision

To provide the highest
level of library &
information services to the
UW Law School &
University communities

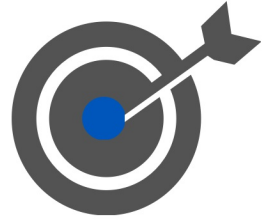

Ongoing Key Priorities

To foster research &
learning, we:

- Enhance the discoverability & accessibility of information
- Provide expert assistance in locating relevant information
- Provide support on the use of research & learning technology
- Enhance the visibility of Law School research, publications, & collections
- Offer attractive & comfortable space for study, collaboration, & learning

Annual Strategic Initiatives

This year, we aim to:

- Expand our institutional repository collections to promote the visibility of Law School research, publications, & collections
- Enhance the Law School's anniversary celebrations by curating & highlighting distinctive historical collections & information
- Increase law student & faculty awareness of library resources, collections, & services
- Enhance our information management systems and assess data to make more informed decisions about library processes, collections, & services
