

# Strategic Plan 2019-2020

## Our Mission

To foster  
research & learning

## Our Vision

To provide valued  
service to the UW Law  
School & University  
communities using our  
unique skills as  
information professionals

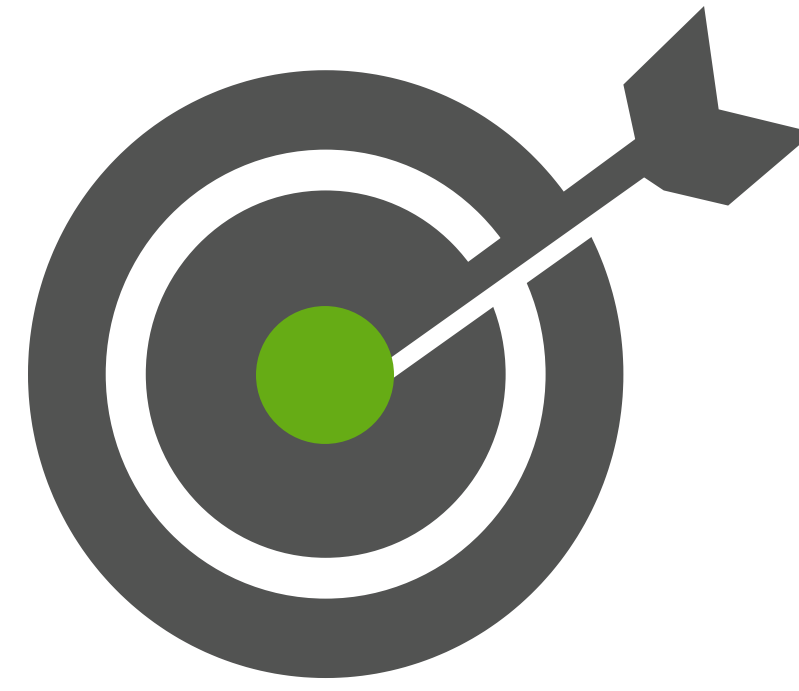

## Ongoing Key Priorities

To foster research &  
learning, we:

- Enhance the discoverability & accessibility of information
- Help patrons locate relevant information & optimize their use of research & learning technologies
- Enhance the visibility of Law School research, publications, & collections
- Offer attractive, comfortable, & welcoming space for study, collaboration, & learning
- Effectively manage library resources to maximize impact & efficiency

## Annual Strategic Initiatives

This year, we aim to:

- Enhance our online presence to promote content accessibility & visibility & to broaden engagement with law students, faculty, & the community
- Expand connections with the Law School & broader legal communities through partnership & outreach
